

OWA (Outlook Web Access) for iOS

Last Modified on 10/21/2022 2:15 pm PDT

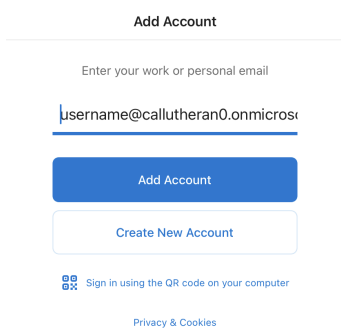

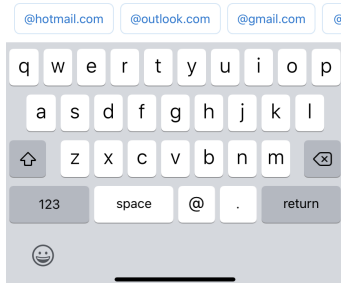

1. Go to the App Store on your iPhone or iPad, search for [Microsoft Outlook](#) and download the app.

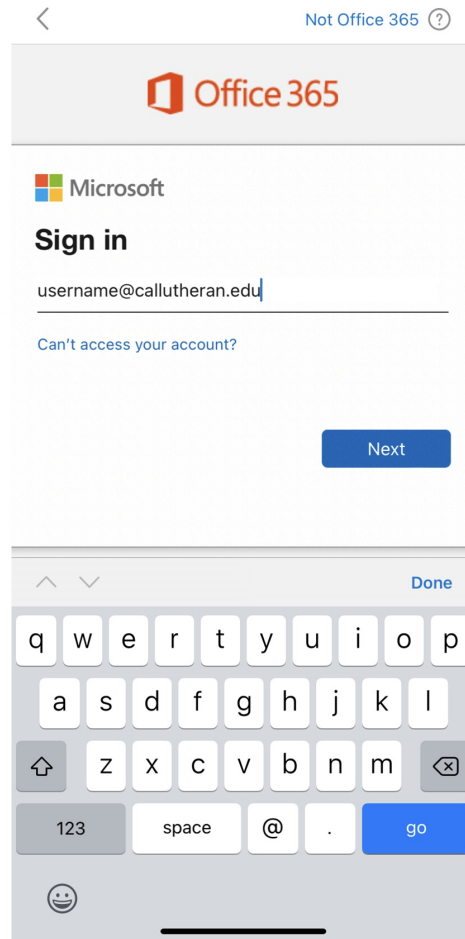

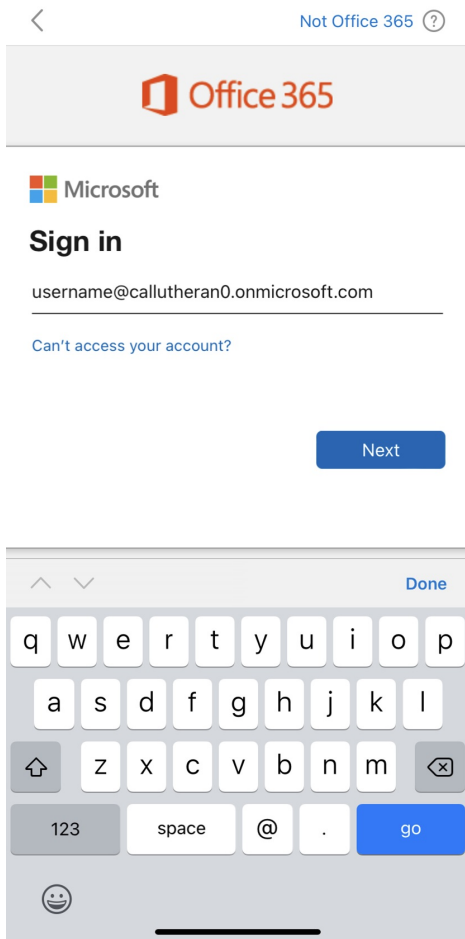

2. Launch the Microsoft Outlook App on your device.
3. Enter the following information in the field for your email address:

- {username}@callutheran0.onmicrosoft.com (***Note this domain is Cal Lutheran Zero***)

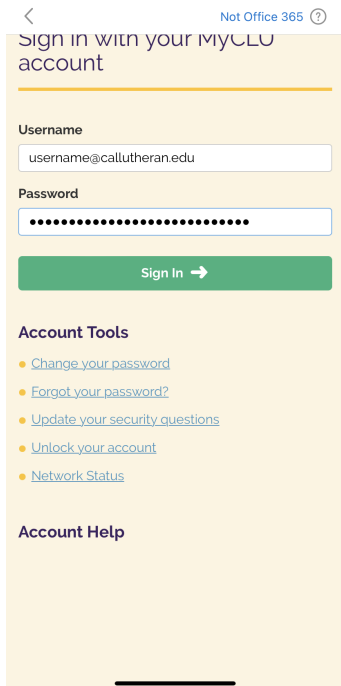

Tap **Add Account**

The screenshot shows the 'Add Account' screen in the Microsoft Outlook app. At the top, it says 'Add Account'. Below that, it says 'Enter your work or personal email'. There is a text input field containing 'username@callutheran0.onmicros'. Below the input field are two buttons: 'Add Account' (blue) and 'Create New Account' (white with blue border). At the bottom, there is a QR code icon and the text 'Sign in using the QR code on your computer', and a link for 'Privacy & Cookies'.

4. On the Sign In screen, change the email address to {username}@callutheran.edu (or @plts.edu) then tap **Next**.

5. Enter your password on the Cal Lutheran Login site and tap **Sign In**:

6. Once added, you will be prompted if you would like to add another account, tap **Maybe Later**.

Add Another Account

Would you like to add another account?

Maybe Later
