## **Change Default Duo Authentication Method**

Last Modified on 01/09/2024 3:21 pm PST

## When logging into campus systems that requires 2 factor authentication we use an application called "Duo".

First, login to connect.callutheran.edu

To change the default method so Duo logs in automatically, click on "My Settings and Devices.

To enter into settings you first have to verify your account through "Send me a Push" or other method and verify your identity.

	Ask me to choose an authentication method		
	Back to Login Automatically send this device a Duo Push		
	Automatically call this device		

The choices from the drop-down are: 1) Ask me to choose - which is the current default.

2) Automatically send a push or

3) automatically call this device.

Once you have selected an option click "Save". Click "Back to Login" and Duo will automatically start with the verification method you have selected.
