The first part of the signup will ask for @callutheran.edu email. To create an account, enter your biographical information, First Name, Last Name, Date of Birth and a verification code that is emailed to the @callutheran.edu email.

Once verification is confirmed, the user will be prompted to either use the phone number or alternate email (not @callutheran.edu) for account recovery purposes.

Once logged into the Dev Tools a "Preview" screen will appear with a link for "Software" (See screenshot above). Subsequent logins will require searching for "Software" or "Preview" to regain access to the downloads as there aren't any quick links on the site. Clicking on "Software" will reveal a list of the available software through the site.
