Respondus Lockdown Browser for Canvas Quizzes

Student Guide

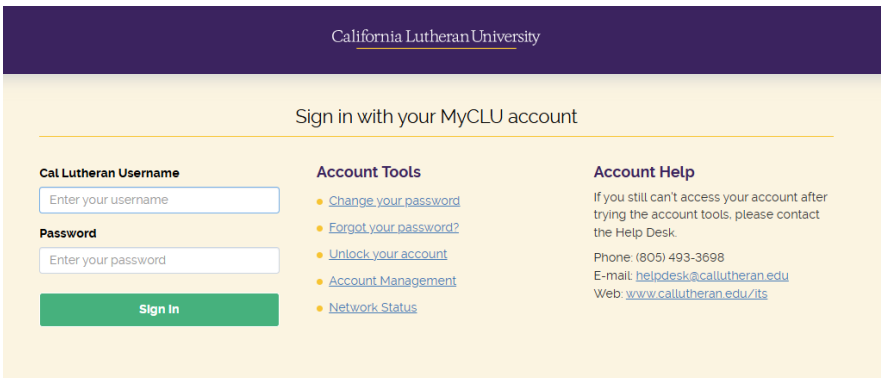

Download and Install Respondus

<https://download.respondus.com/lockdown/download.php?ID=538445469>

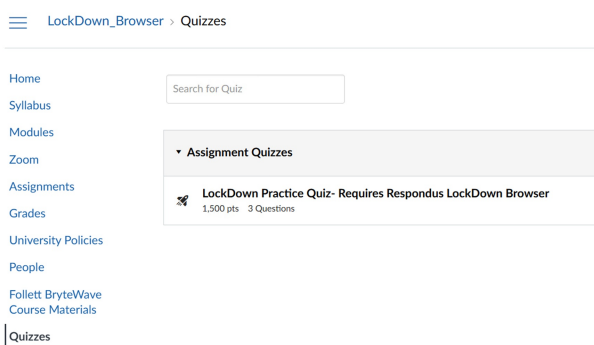

Launch the Respondus LockDown Browser

Login with your MyCLU Credentials

A screenshot of the California Lutheran University MyCLU login page. The page has a dark purple header with the text "California Lutheran University" in white. Below the header, there is a light yellow background with the text "Sign in with your MyCLU account" in dark purple. The page is divided into three columns. The first column is for "Cal Lutheran Username" and "Password", with input fields and a green "Sign In" button. The second column is for "Account Tools" with links for "Change your password", "Forgot your password?", "Unlock your account", "Account Management", and "Network Status". The third column is for "Account Help" with contact information for the Help Desk, including phone, email, and web addresses.

Navigate to your Course and Access Your Exam

A screenshot of the Canvas LMS interface. The top navigation bar shows "LockDown_Browser > Quizzes". Below the navigation bar, there is a search bar labeled "Search for Quiz". A sidebar on the left contains a list of navigation items: Home, Syllabus, Modules, Zoom, Assignments, Grades, University Policies, People, Follett BryteWave, Course Materials, and Quizzes. The main content area shows a list of "Assignment Quizzes" with a search icon and a quiz titled "LockDown Practice Quiz- Requires Respondus LockDown Browser" with 1,500 pts and 3 Questions.
